Holidays

Whilst the corporate travel team deal with business travel, we also have a team of experienced leisure consultants who are able to arrange tailor made holidays worldwide.

How We Operate

Wherever possible we will assign a consultant to a client's business with the aim of building a personal working relationship. Experience has shown us that this approach can make a real difference in maintaining high levels of service and efficiency. It is one of the reasons why we retain over 90% of client who choose to use Donelli Tourism for their business travel arrangements.

We have consistently grown our business year on year, and along the way have built up relationships with a network of suppliers which we are able to call upon for the benefit of our clients.

Our Differences

365 DAYS/24 HOURS SERVICE

Donelli takes the requirements of corporate travel industry into consideration and comprehends the importance of offering services to customer for 24 hours a day. We maintain our services continuously based on 365 days / 24 hours principle out of working hours by virtue of our on-call travel experts serving our customers. Our on-call travel experts can gain access to your individual and corporate information and even your reservations with one touch and therefore, prevent unnecessary waste of time.

PROPRIETARY REPORTING SYSTEMS

You can reach all of your traveling details with our reporting systems, which we developed by following the latest technological developments closely, and therefore you can manage your travel expenses that are the 2nd expense item for your company effortlessly.

Just deliver us “what and how” it should be to benefit from our reporting systems exclusive for you. Let us design it for you.

QUICK RESPONSE

With our service quality, which always aims at the excellent, and our rapid returns, you may rapidly make your changes concerning your reserved or planned travels and prevent unnecessary waste of time.

OPERATIONAL CAPABILITY IN EVERY PART OF THE WORLD

As a Donelli customer, you may gain access to all corporate traveling services in every part of the World as if you are in your own country.

SECURE AND TRANSPARENT PRICING POLICY

Donelli always respects her employees and customers.

We believe that the best people work with best people only in workplace environment dominated by trust.

Donelli under undertakes always to act transparently concerning all the traveling activities and generated expenses (before and after the travel) while offering her customers solutions. Thus, we can manage your travel budget proactively and efficiently together.

Duty of Care Travel Risk Management

Always looking out for you.

The broader notion of traveler well-being and duty of care issues are not only linked to emergencies and medical incidents. The stress of business travel caused by delays, lost baggage, less productivity (yet consistently high workload) or the simple fact of being away from friends and family should not be underestimated. We are aware of it !

Your staff are the single most valuable asset your organization has, so when they travel you need to be assured of their safety at all times. What if you could have complete visibility of their whereabouts in real-time? Donelli's 'Around the Clock Guardian Service' ensures your staff not only travel safely, but that they're also the smartest corporate traveler in the world.

Our iTrack tool monitors your traveler's location and safety out of the office, our Traveler Behavior procedures means we're also focusing on policy compliance and passive pre-trip or exceptions approvals as well.

Our Customers

Donelli is offering services about corporate travel services to more than 200 domestic and International customers.

Among our customers, there are companies from many different industries Energy, Construction, Communication, Technology, Logistics and Retail being in the first place.

All of our customers benefit from our efficient, cost-effective, well-informed and well-equipped, compatible with privacy principles and proprietary personal services.

Our experienced and result-oriented team will be looking forward to evaluate all kinds requests coming from you and to offer you the fastest solutions with different alternatives.

Whilst you're looking after your business
We'll look after your travel.
